Investing in Student Success

The Foundation for Oklahoma City Public Schools works to advance excellence, create champions and build strong community support for lasting change in Oklahoma City Public Schools.

Teachers Warehouse

Teachers Warehouse provides free school supplies and classroom materials to bridge the gap between what schools have and what students and teachers need for success. Each month, teachers can browse the free online store and place orders during the specified ordering period. Then, they collect their orders on the specific pick-up days. It's that easy!

Competitive Edge

No matter the barriers in life, a student who discovers his special talent or interest also finds his direction and purpose. The Competitive Edge program makes it possible for thousands of students to participate in artistic and academic competitions. Grants range from \$1,000 to \$2,500 to pay for fees, transportation, meals and lodging. By competing, students gain a sense of purpose that builds their confidence, validates their talents, and sets them on a track to life-long success.

Advancing Teaching Excellence

Research shows of the in-school factors impacting education, teacher quality is critical. That's why the Foundation makes investing in teachers one of its top priorities through the Jean G. Gumerson Endowment for the Pursuit of Teaching Excellence. Teachers can receive a \$2,500 scholarship to pursue National Board certification, and NBCTs can receive a \$1,150 scholarship to renew their certification. OKCPS teachers who want to learn more about the National Board process can take a pre-candidacy course offered each spring. Teachers also can Take One!, the first step of the National Board process, and an entire school staff can experience Take One! as a group.

Great Idea Grants

Great Idea Grants help teachers make learning more exciting and relevant for today's students. Individual teachers can apply for classroom grants up to \$1,000, and collaborating teachers can apply for as much as \$5,000. Projects may target curriculum, student engagement and/or parental engagement initiatives.
