The Foundation for Oklahoma City Public Schools works to advance excellence, create champions and build strong community support for lasting change in Oklahoma City Public Schools.

### **Focus Areas Defined**

The Foundation took part in The Great Conversation as members of the core planning team and worked throughout the year to align strategies and goals with those of the district and community. The focus areas defined by The Foundation's Board of Directors believed to have the greatest impact in assisting the district with its greatest needs are: Continuation of traditional programs (See DonorsChoose.org below), Community Engagement initiatives, English Language Learning program support, and Teacher/Leader Development.

### **DonorsChoose.org**

Through a partnership with DonorsChoose.org and with the assistance from generous community partners and OKCPS employees, The Foundation provides funding for Oklahoma City Public Schools classroom projects posted by OKCPS teachers on DonorsChoose.org. This partnership provides funding for classroom supply needs, field trips and other educational projects. Since November 2014, The Foundation has leveraged more than \$430,000 through its matching program. That translates into projects benefiting more than 847 teachers at 85 schools.

### **STARS of Education**

In partnership with The Oklahoma City Public Schools, The Foundation seeks to recognize members of the OKCPS community that demonstrate exceptional teaching, inspired service and volunteerism within the district. To that end, The Foundation provides recognition and cash awards for the OKCPS Teacher of the year and finalists, exceptional support staff within the district and valuable volunteers who make a difference daily. In partnership with the City Council of Oklahoma City and the Downtown Rotary Club, The Foundation also recognizes exceptional teaching within the district through the Rotary Teacher of the Month program. These activities provided almost \$20,000.00 in cash awards to teachers, schools and support staff within the district.

### **Partners In Action**

In an effort to strengthen the district's relationship with community partners of all types, Oklahoma City Public Schools and The Foundation for Oklahoma City Public Schools have launched Partners in Action. This initiative invites companies, civic groups, nonprofits, faith-based organizations and individuals to play a crucial role in their schools. Partners In Action gives school principals a technology-based platform to post school needs that can be reviewed by hundreds of community partners across the district.

### **Bilingual Teacher Pipeline Project**

The objective of the Bilingual Teacher Pipeline project is to, simply put, grow our own, by providing funding for tuition and teacher certification for bilingual paraprofessionals already working in Oklahoma City Public Schools. The program is designed to benefit the growing population of Spanish-speaking students and families across the district while also investing in individuals already working in our community.

### **Urban Teacher Preparation Academy**

One of the persistent challenges in all public school settings is the loss of teachers in their first year. Much of this is due to many teachers entering the profession under-prepared. The Urban Teacher Preparation Academy provides valuable tools to prepare teachers for entering the urban school environment by exposing teacher candidates to a rich variety of principles, knowledge, resources and experiences that culminate in their readiness to make a positive impact on students in OKCPS.
