

JOHN MARSHALL
HIGH SCHOOL

25/26 Parent & Family Engagement Policy

Our focus will be to positively engage our students, parents, and families to promote high expectations for student learning. John Marshall Enterprise High School staff, parents, and the students will share the responsibility for improved student achievement, behavior, and post-secondary opportunities. The means by which the school and parents will build and develop a partnership to support students achieve their goals and high standards.

School Responsibilities

1. John Marshall High School will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating students to meet the state academic achievement standards and post-secondary opportunities.
2. John Marshall Enterprise High School will support parents and create opportunities for them in becoming advocates for their children's academics and post-secondary opportunities.

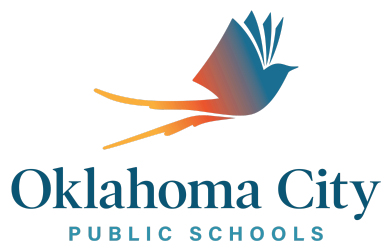

Parent Responsibilities

Inviting and encouraging parents to partner with the school will result in parents becoming more active in their students' educational journey at the secondary level. Their participation in: monitoring attendance and school work, attending open house, engaging in parent/teacher conferences, attending awards ceremonies, and other school events, will result in increased self esteem for students and stronger ties with school staff. Parents will be invited to participate,

as appropriate, in decisions related to students' education, stay informed about your students' education, and communicate with the school by promptly reading all notices from the school or the school district. Communication will be through Talking Points platform, Infinite Campus, OKCPS email or traditional mail when not initiated through via phone calls or written notes.

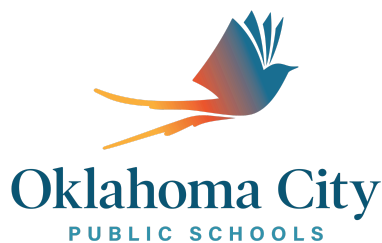

Student Responsibilities

We have high expectations regarding student behavior and academic effort at John Marshall Enterprise High School. Our focus this year will not be limited to: excellent attendance, good character, appropriate age development, consistent academic effort toward learning, and setting the stage for post-secondary opportunities. Our focus encompasses student academic expectations and strategies for success, which are: being responsible, respectful, safe, trustworthy, and cooperative, even when it is difficult. All of these traits are life long skills that contribute to successful adulthood. We expect that the students do their work every day and ask for help when needed. We expect students to read every day outside of school. We expect students to give parents/guardians all notices and information received from school every day. We expect students to arrive on time every day and be ready to learn, be positive with all students and staff and follow adult directions immediately.

Continuous Improvement Plan

Our school plan is updated during the year and parent input is important. Parents are encouraged to review and share ideas regarding our improvement plan. The administrators and teachers will work as a team to inform families of student progress and school events through communication in Infinite Campus, Talking Points, Canvas, and by telephone calls.

- ☐ Parents are encouraged to submit ideas/input during our Open House, Student Led Parent/Teachers Conferences, School Events, through surveys , and anonymous suggestion box in the Front office.
- ☐ We provide parents with frequent reports on their students' progress.
- ☐ We provide monthly communications of school priorities & events.
- ☐ Progress Reports
- ☐ Report Cards
- ☐ As parents requests
- ☐ Staff will be available for consultation with parents as follows:
 1. Parents may visit classrooms by requesting a visit with the principal. Parents must give 24 hour notice to visit a classroom. Everyone is required to sign as a visitor in the office.

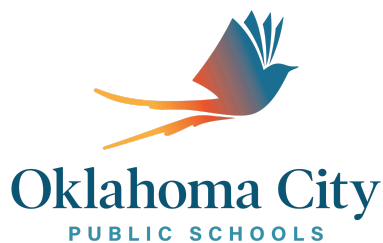

Parents opportunities to volunteer and participate in their child's education:

- ☐ Back to School Events where parents are invited to visit the classroom, meet teachers, staff and gather with the principal for information.
- ☐ Open House where parents are invited to tour the building, converse with staff, and receive information about services inside and outside the school.
- ☐ Parent Nights where information tables are set up for parents to learn about academic expectations/opportunities and what is going on in our school.
