The Foundation for Oklahoma City Public Schools works to advance excellence, create champions and build strong community support for lasting change in Oklahoma City Public Schools.

Focus Areas and Strategic Alignment

The Foundation’s focus areas are a result of partnership and alignment with OKCPS and the community. See below for our focus areas and supporting programs/initiatives.

Innovative support of teachers (Partnership with DonorsChoose.org)

Community Engagement initiatives (Partners in Action)

+

English Language Learning program support (Bilingual Teacher Pipeline Program, Spanish for English speaking OKCPS staff, translation technology support)

Teacher and Leader Professional Development (Urban Teacher Preparation Academy, Diversity Pipeline Program)

Advocacy (Our Best Investment campaign is focused on driving a narrative about OKCPS that results in increased investment and engagement)

DonorsChoose.org and Partners in Action

Through a partnership with DonorsChoose.org and with the assistance from generous community partners and District employees, The Foundation provides funding for Oklahoma City Public Schools classroom projects posted by OKCPS teachers. The Partners in Action initiative allows principals to post projects that are matched with community partners to fulfill, including time, talent and treasure. Combined financial impact for both programs in the 2018-2019 School Year was \$9.9 million.

STARS of Education

In partnership with Oklahoma City Public Schools, The Foundation recognizes members of the OKCPS community that demonstrate exceptional teaching, inspired service and volunteerism within the district. To that end, The Foundation provides recognition and cash awards for the OKCPS Teacher of the Year and finalists, exceptional support staff within the district, and valuable volunteers and community partners who make a difference daily. The Sam and Charolett Principal Recognition program provided \$10,000 in awards to one elementary and one secondary principal. And, in partnership with the City Council of Oklahoma City and the Downtown Rotary Club, The Foundation recognizes OKCPS’s exceptional teaching through the Rotary Teacher of the Month program. These activities combined provided almost \$20,000.00 in cash awards to teachers, schools and support staff within OKCPS.

Bilingual Teacher Pipeline Program and Diversity Pipeline Program

To help OKCPS build a cadre of certified teachers, The Foundation, with the assistance of donors and education partners UCO, OSU-OKC, OCCC and Rose State College, facilitates two programs that “grow our own” teachers. The programs provide funding for tuition, fees and books for bilingual and paraprofessionals of color already working in the district to become certified teachers. We currently have 49 bilingual paraprofessionals and nine paraprofessionals of color participating.

Foundation Projects

Each year The Foundation looks for ways that it can partner with the district to provide much needed support to schools, teachers and students. This year was no different, with The Foundation and its community partners providing the funding for a number of outreach events and serving as the fiduciary agent for an increased number of Partner Funding Agreements benefitting the district, specific schools and school projects.

OKLAHOMA CITY PUBLIC SCHOOLS SPECIAL INSTRUCTIONAL PROGRAMS

| PROGRAM NAME | PROGRAM SUMMARY |
|------------------------------|--|
| ACADEMIC ACHIEVEMENT (AA/MS) | Innovative coursework for middle school students designed to reinforce and enrich learning concepts in reading/language arts and math. |
| ACHIEVE 3000 | Online differentiated instruction that engages all learners at their individual reading levels and challenges them to improve their literacy skills by increasing their ability to read, comprehend, apply, and communicate information derived from complex text. |
| ACT-AMERICA'S CHOICE | This comprehensive instructional system includes rigorous core syllabi and model units, end-of-course examinations, formative assessment tools, intervention and acceleration programs, and professional development, all designed to help ensure that students are ready for college and careers without a need for remediation. |
| ADVANCED PLACEMENT | AP gives high school students a chance to do college level work and gain valuable skills and study habits for college. Students who get a "qualifying" grade on the AP Exam may receive college credit. |
| AVID | Advanced Via Individual Determination provides research-based strategies and curriculum designed to prepare students for success in high school, college, and a career, especially students traditionally underrepresented in higher education. |
| EARLY BIRDS | A free family-based program that provides parents with the information and tools they need to prepare their child to enter kindergarten ready and eager for school. |
| ENHANCEMENT (HS) | Innovative coursework for high school students designed to reinforce and enrich learning concepts in reading/language arts and math. |
| GEAR UP | Discretionary grant program designed to increase the number of low-income students who are prepared to be successful in postsecondary education. Preparation and planning resources, readiness tools, and scholarship opportunities are provided. |
| GENERATION CITIZEN | Civics curriculum enabling students to have an understanding of how they can effect real, lasting change in their communities. |
| GREAT EXPECTATIONS | Great Expectations is an eclectic approach to teaching that emphasizes the behavioral component of classroom instruction. |
| HEAD START | Head Start is a comprehensive child development program which serves children from birth to age five, pregnant women, and their families. The goal is to increase school readiness of young children in low-income families. |
| HEALTHY SCHOOLS OK | This program focuses on injury prevention, cardiovascular disease prevention, cancer control, and physical fitness |
| JROTC | JROTC is a high school program where military courses are given during regular school hours in addition to many out-of-classroom activities. Students learn the basics in military history, government, technology awareness, and current events. The main focus is on developing leadership skills as well as how to study, take tests, interview for jobs, and learn first aid skills. |

| | |
|---|--|
| JUNIOR ACHIEVEMENT | Junior Achievement teaches students how they can impact the world around them as individuals, workers, and consumers. This program prepares students for future economic and workforce issues they will face. |
| JUNIOR BOTBALL | Interactive program developed to teach STEM fundamentals and help students of all levels achieve subject mastery through hands on robotic activities. |
| KENNEDY CENTER PARTNERS IN EDUCATION | Schools develop a vision and long-range plan for arts integration, select from various introductory and in-depth professional learning options, and receive technical assistance from more experienced schools and the Kennedy Center for the Performing Arts. |
| LINK CREW | A high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of high school. Mentors from the senior and junior classes guide the freshmen to discover what it takes to be successful. |
| PBIS | Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success. |
| ROBOTICS | Provides knowledge and skill to tackle problems in the core subjects of science, technology, engineering, and mathematics by gathering information, evaluating it, and presenting effective solutions. The program encourages important life skills such as teamwork, communication, and project-based organization. |
| SCHOOL-TO-WORK | Combines classes at school with hands-on-learning and training in the workplace, building partnerships between schools and employers focusing on local needs for today's demanding jobs. |
| SMART START | Smart Start is an early childhood collaborative to assure that children are healthy and ready for 1 st grade. Activities include parenting education, child development, family literacy, arts and crafts, community mobilization, and overall family support. |
| STRIVING READERS | Plan that addresses the literacy needs and improves the learning outcomes of children from birth through Grade 12 using clear content standards in the areas of pre-literacy, reading, and writing. |
| SUMMIT PERSONALIZED LEARNING | Enables teachers to customize instruction for individual student needs while students become self-directed learners and develop habits to help them succeed h continuing education, career, and life. |
