DonorsChoose and Partners in Action

Through a partnership with DonorsChoose and with the assistance from generous community partners and District employees, The Foundation provides funding for Oklahoma City Public Schools classroom projects posted by OKCPS teachers. The Partners in Action initiative allows principals to post projects that are matched with community partners to fulfill, including time, talent and treasure. Combined financial impact for DonorsChoose and Partners in Action in the 2020-2021 School Year was more than \$2 million.

STARS of Education

In partnership with Oklahoma City Public Schools, The Foundation recognizes members of the OKCPS community that demonstrate exceptional teaching, inspired service and volunteerism within the district. To that end, The Foundation provides recognition and cash awards for the OKCPS Teacher of the Year and finalists, exceptional support staff within the district, and valuable volunteers and community partners who make a difference daily. The Sam and Charolett Principal Recognition program provided \$10,000 in awards to one elementary and one secondary principal. And, in partnership with the City Council of Oklahoma City and the Downtown Rotary Club, The Foundation recognizes OKCPS’s exceptional teaching through the Rotary Teacher of the Month program. These activities combined provided almost \$20,000.00 in cash awards to teachers, schools and support staff within OKCPS.

Bilingual Teacher Pipeline Program and Diversity Teacher Pipeline Program

The Foundation, with the assistance of donors and education partners UCO, OSU-OKC, OCCO and Rose State College, facilitates two programs that “grow our own” teachers who are bilingual/of color. The programs provide funding for tuition, fees and books for bilingual and paraprofessionals of color already working in the district to become certified teachers. We currently have 48 bilingual paraprofessionals and 13 paraprofessionals of color participating. Six of our participants have graduated. We’ve also added a pipeline for OKCPS high school students to join the program and become certified teachers.
